**DALLAS (June 18, 2026)** – Dallas Trinity FC (DTFC) today announced its 2026 fall schedule in the Gainbridge Super League, which kicks off on **Saturday, August 15 vs. Tampa Bay Sun FC** at historic Cotton Bowl Stadium.

The club will compete in 14 regular season matches as part of the Gainbridge Super League's format for its 2026 fall season where every match will carry increased importance in the race for the Players' Shield and league championship. The 2026 fall season will also serve as the Super League's transition to a spring-to-fall calendar beginning in 2027. The league's eight clubs will begin competition on August 15. Each club will play 14 matches – seven home and seven away – before the regular season concludes on November 28. The club finishing first in the table will be awarded the Players' Shield, while the top four clubs will qualify for the playoffs. Semifinal matches will be played on December 5, with The Final set for December 12 to determine the Fall Season champion.

DTFC will begin the season playing four out of five games on its home pitch, followed by a four-match road trip due to the State Fair of Texas which includes a visit to Lexington SC Stadium to take on the defending champs Lexington SC, on Friday, September 25. The State Fair Clásico tradition returns in 2026 with an international friendly for DTFC at the Cotton Bowl on October 17, opponent to be announced soon. Dallas will end the season with three of its final five games at home, wrapping up the fall schedule at Carolina Ascent FC on Saturday November 28.
